## CLUB OF AMERICA

Celebrating the performance heritage of Pontiac Motor Division and Ace Wilson's Royal Pontiac Dealership.

The Royal Pontiac Club of America was founded in 1994 by a group of Pontiac owners and enthusiasts. With a desire to drive, cruise and race classic and late model Pontiacs, our main goals are friendship and camaraderie. Although the club's primary focus is high performance Pontiacs of all years, we welcome all brands of muscle cars. We only ask that you bring your enthusiasm for high performance vehicles.

Many of our members and their cars have been featured in magazines and newspapers articles as well as advertisements and TV documentaries.

We also publish a quarterly newsletter which includes items from the archives, contributing stories from our members, tech news, and upcoming events. The club holds meetings the second Thursday of every month.

Club events include: Fall color tour; Woodward Dreamcruise; Monthly Club meetings; Garage Tours and a winter date night. Be sure to check our website for the latest news and events. We are always looking for new members!
